Dear Friend of La Salette,

Let me begin by wishing you and your family a most blessed New Year! My special prayers will be offered that Our Lord shower you with His Love and Grace; that He gives you His Cross and the strength to bear it and that you grow daily in devotion to His Church, the sole Ark of Salvation.

With almost half the academic year now passed, we commence that crucial time of year when the formation begun is solidified. Spiritual, intellectual and physical lessons have certainly been learned, however, only with repetition, perseverance and great amounts of patience will lasting results be achieved. The boys' time at La Salette is passing, but the formation is meant for life. This temporary four-year stop must be for them a training ground in virtue and strength. That is our great mission, our great work.

Your continued cooperation and perseverance is also needed in the generosity you show by prayers and donations. The Academy greatly relies upon you to continue and even augment your much appreciated efforts. Please keep storming the Infant of Prague in order to obtain the graces and gifts for a most successful 2008!

Enclosed is the **February Frenzy** sheet; feel free to copy this and pass it along to many others.
This major fundraiser is very, very important to the Academy.

While you enjoy the pictures on the back, be assured of our daily prayers for your intentions. May the Immaculate Mother of God love and protect you always.

**“The more you honor me,
the more I will bless you.”**

In Christ the King,
