

NOTRE DAME DE LA SALETTE BOYS ACADEMY

FR. MICHAEL MCMAHON
HEADMASTER

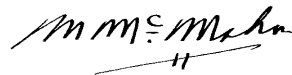

March 1, 2009

Dear Friend of La Salette,

Our annual Homecoming was a wonderful weekend which allowed our boys to extend a warm welcome of Catholic hospitality to family, alumni, friends and our sister schools from Syracuse and Armada. In all, over 250 guests attended. One parent's letter below along with the pictures captures the spirit of the weekend.

Thank you for all your support and prayers. Be assured that you are daily remembered in ours.

In Christ the King,

Father Michael McMahon

Dear Father McMahon,

We returned home from La Salette with grateful hearts. Our family so enjoyed the weekend there – the activities, conferences, and conversations with Academy faculty and families. La Salette is an oasis of traditional Catholic education for young men. Deo gratias . . .

Please extend our gratitude to the many whose time, thought and efforts provided a great pleasure for all, truly charity in action. The play, the meals, the conferences, the tournaments were a delight. The young men were hospitable, friendly, and well-mannered.

God bless you and all.
